

CITY FREEDOM OF INFORMATION ACT PROCEDURES AND GUIDELINES

Preamble: Statement of Principles

It is the policy of the City of Carson City that all persons, except those who are serving a sentence of imprisonment, consistent with the Michigan Freedom of Information Act (MFOIA), are entitled to full and complete information regarding the affairs of government and the official acts of those who represent them as public officials and employees. The people shall be informed so that they fully participate in the democratic process.

The City of Carson City's policy with respect to FOIA requests is to comply with State law in all respects and to response to FOIA requests in a consistent, fair, and even-handed manner regardless of who makes such a request.

The City of Carson City acknowledges that it has a legal obligation to disclose all nonexempt public records in its possession pursuant to a FOIA request. The City of Carson City acknowledges that sometimes it is necessary to invoke the exemptions identified under FOIA in order to ensure the effective operation of government and to protect the privacy of individuals.

The City of Carson City will protect the public's interest in disclosure, while balancing the requirement to withhold or redact portions of certain records. The City of Carson City's policy is to disclose public records consistent with and in compliance with State law.

Section 1: General Policies

1.01 The City Council acting pursuant to the authority at MCL 15.236 designates the City Attorney as the FOIA Coordinator. He or she is authorized to designate other City staff to act on his or her behalf to accept and process written requests for the City's public records and approve denials.

1.02 If a request for a public record is received by facsimile or e-mail, the request is deemed to have been received on the following business day. If a request is sent by e-mail and delivered to a City spam or junk-mail folder, the request is not deemed received until one day after the FOIA Coordinator first becomes aware of the request. The FOIA Coordinator shall note in the FOIA log both the date the request was delivered to the spam or junk-mail folder and the date the FOIA Coordinator become aware of the request.

1.03 The FOIA Coordinator designee being the City Comptroller or Assistant Comptroller shall review City spam and Junk-mail folders on a regular basis, which shall be no less than once a month. The FOIA Coordinator shall work with the City Information Technology staff to develop administrative rules for handling spam and junk-mail so as to protect City systems from computer attacks which may be imbedded in an electronic FOIA request.

1.04 The FOIA Coordinator may, in his or her discretion, implement administrative rules, consistent with State law and these Procedures and guidelines to administer the acceptance and processing of FOIA request.

1.05 The City is not obligated to create a new public record or make a compilation or summary of the information which does not already exist. Neither the FOIA Coordinator nor other City staff are

obligated to provide answers to questions contained in request for public records or regarding the content of the records themselves

1.06 The FOIA Coordinator shall keep a copy of all written request for public records received by the City on file for a period of at least one year.

Section 2: Requesting a Public Record

2.01 A person requesting to inspect or obtain copies of public records prepared, owned, used, possessed or retained by City of Carson City must do so in writing. The request must sufficiently describe a public record so as to enable City personnel to identify and find the requested public record.

2.02 No specific form to submit a request for a public record is required however; the FOIA Coordinator may make available a FOIA Request Form for use by the public.

2.03 Written requests for public records may be submitted in person or by mail to any City office. Requests may also be submitted electronically by facsimile and e-mail upon their receipt; requests for public records shall be promptly forwarded to the FOIA Coordinator for processing.

2.04 To prevent excessive and unreasonable interference with the discharge of City functions, a person may submit no more than 5 requests per day, no more than 15 requests per calendar week (Sunday through Saturday), nor more than 100 requests in the preceding 12 months. A "person" includes all persons at the same mailing, facsimile telephone number, email address and/or IP address. To the extent that submission includes request for public records that relate to clearly different matters, each different matter shall be considered a separate request. Requests made in excess of the daily, weekly and 12-month limitations list above may be disregarded, although the City's FOIA Coordinator shall make the requesting party aware of the limitations.

2.05 A person may request that public records be proved on no-paper physical media, electronically mailed or otherwise provided to him or her in lieu of paper copies. The City will comply with the request only if it possesses the necessary technological capability to provide records in the requested non-paper physical media format.

2.06 A person may subscribe to future issues of public records that are created, issued or disseminated by the City of Carson City on a regular basis. A subscription is valid for up to 6 months and may be renewed by the subscriber.

2.07 A person who makes a verbal, non-written request for information believed to be available on the City's website, where practicable and to the best ability of the employee receiving the request, shall be informed of the pertinent web site address.

2.08 A person serving a sentence of imprisonment in a local, state or federal correctional facility is not entitled to submit a request for a public record. The FOI Coordinator will deny all such requests.

Section 3: Processing a Request

3.01 Unless otherwise agreed to in writing by the person making the request, within 5 business days of receipt of a FOIA request the City will issue a response. If a request is received by facsimile, e-mail or

other electronic transmission, the request is deemed to have been received on the following business day. The City will respond to the request in one of the following ways:

- a. Grant the request.
- b. Issue a written notice denying the request.
- c. Grant the request in part and issue a written notice denying in part the request.
- d. Issue a notice indicating that due to the nature of the request the City will need an additional ten (10) business days to respond. Only one such extension is permitted under the Michigan Freedom of Information Act.
- e. Issue a written notice indicating that the public record requested is available at no charge on the City's website.

3.02 If the request is granted, or granted in part, the FOIA Coordinator will require that payment be made in full for the allowable fees associated with responding to the request before the public record is made available. The FOIA Coordinator shall provide a detailed itemization of the allowable costs incurred to process the request to the person making the request. A copy of these Procedures and Guidelines shall be provided to the requestor with the response to a written request for public records, provided however, that if these Procedures and Guidelines, and its Written Public Summary are maintained on the City's website, then a website link to those documents may be provided in lieu of providing paper copies.

3.03 If the cost of processing a FOIA request is \$50 or less, the requester will be notified of the amount due and where the documents can be obtained.

3.04 If based on a good faith calculation by the City, the cost of processing a FOIA request is expected to exceed \$50, or if the requestor has not fully paid for a previously granted request, the City will require a good-faith deposit before processing the request. In making the request for a good-faith deposit the FOIA Coordinator shall provide the requestor with a detailed itemization of the allowable costs estimated to be incurred by the City to process the request and also provide a best efforts estimate of a time frame it will take the City to provide the records to the requestor. The best efforts estimate shall be nonbinding on the City, but will be made in good faith and will strive to be reasonably accurate, given the nature of the request in the particular instance, so as to provide the requested records in a manner based on the public policy expressed by Section 1 of the FOIA.

3.05 If the request is denied or denied in part, the FOIA Coordinator will issue a Notice of Denial which shall provide in the applicable circumstance:

- a. An explanation as to why a requested public record is exempt from disclosure, or
- b. A certificate that the requested record does not exist under the name or description provided by the requestor, or another name reasonably known by the City, or

- f. The Notice of Denial shall be signed by the FOIA Coordinator.

4.03 The FOIA Coordinator will not require an increased estimated fee deposit if any of the following apply:

- a. The person making the request is able to show proof of prior payment in full to the city;
- b. The City is subsequently paid in full for the applicable prior written request or;
- c. 365 days have passed since the person made the request for which full payment was not remitted to the City.

Section 5: Calculation of Fees

5:01 Utilizing the FOIA Detailed Cost Itemization Form a fee will not be charged for the cost of search, examination, review and the deletion and separation of exempt from nonempty information unless failure to charge a fee would result in unreasonably high costs to the City because of the nature of the request in the particular instance and the City specifically identify the nature of the unreasonably high costs.

5:02 The following factors shall be used to determine an unreasonably high cost to the City:

5.09 If the FOIA Coordinator does not respond to a written request in a timely manner, the following shall be required:

The appeal must be in writing, specifically state the word 'appeal' and identify the reason or reasons the requestor is seeking a reversal of the denial.

7.03 Whether or not a requestor submitted an appeal of a denial to the City Administrator he or she may file a civil action in Montcalm County Circuit Court within 180 days after the City's final determination to deny the request.

If the court determines that appellant prevails only in part, the court in its discretion may award all or an appropriate portion of reasonable attorneys' fees, costs and disbursements.

7.05 If the head of the public body is a board or commission, it is not considered to have received a written appeal of either a denial or a fee amount until its first regularly scheduled meeting following the submission of the appeal. It then has 10 business days to respond to the appeal determining that the appellant prevails only in part, the court in its discretion may award all or an appropriate portion of reasonable attorneys' fees, costs and disbursements.

7:06 If the court determines that the City arbitrarily and capriciously violated the FOIA by refusing or delaying the disclosure of copies of a public record, it shall award the appellant punitive damages in the amount of \$ 1,000.00. Court shall also order that the public body pay a civil fine of \$ 1,000.00 to the general fund of the State Treasury.

Section 8: Appeal of an Excessive FOIA Processing Fee

8.01 If a requestor believes that the fee charged by the City to process a FOIA request exceeds the amount permitted by state law, he or she must first submit a written appeal for a fee reduction to the Office of the Mayor. The appeal must be in writing, specifically state the word “appeal” and identify how the required fee exceeds the amount permitted.

- d. Issue a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the Mayor will respond to the written appeal.

8.03 Within 45 days after receiving notice of the City Administrator’s determination of a fee appeal, a requestor may commence a civil action in Montcalm County Circuit Court for a fee reduction. If a civil action is filed appealing the fee, the City is not obligated to process the request for the public record until the Court resolves the fee dispute.

8.04 If the court determines that the City required a fee that exceeds the amount permitted, it shall reduce the fee to a permissible amount. If the appellant in the civil action prevails by receiving a reduction of 50% or more of the total fee, the court may award all or appropriate amount or reasonable attorneys’ fees, costs and disbursements.

8.05 A public body does not have to provide for administrative fee appeals; if such is the case, the appeal is directly to circuit court with 45 days of receiving notice of the required fee.

8.06 If the Court determines that City has acted arbitrarily and capriciously by charging an excessive fee, the court shall also award the appellant punitive damages in the amount of \$500.

Section 9: Conflict with Prior FOIA Policies and Procedures; Effective Dates are controlling

The FOIA Coordinator is authorized to modify this policy and all previous policies adopted by the City Council or the City Administrator, and to adopt such administrative rules as he or she may deem necessary, to facilitate the legal review and processing of requests for public records made pursuant to Michigan's FOIA statute, provided that such modifications and rules are consistent with State law. The FOIA Coordinator shall inform the City Council of any changes to these Policies and Guidelines.

9.03 These FOIA Policies and Guidelines becomes effective July 1, 2015.
