

Neighborhood News for Carson City

www.carsoncitymi.com

Dear Residents of Carson City,

The Holiday Season is upon us and with it comes the snow. Just a few reminders:

- Please keep sidewalks clear for pedestrian's safety.
- When placing snow at the edge of your property, if you would put it to the far side of your driveway. This way when the plow hits your snowbanks, it is less likely to fill your driveway back in.
- The City will pick up disposed of Christmas trees at curbside after the holidays.
- Remember to keep an eye out for your elderly neighbors. The winter months can be difficult for them to be able to get out and about.

"Being a good neighbor is an art which makes life richer." Gladys Taber

If you haven't sent your Water Distribution Materials Survey back yet, please do so soon. The information we are collecting is a State requirement to help identify lead pipes within Michigan cities. If you do not return the survey then our DPW staff will be in touch to obtain the information needed for accurate reporting. If you have any questions or didn't receive the survey, please feel free to call City Hall at 989-584-3515. We greatly appreciate your response!

Peddlers Permits are required for anyone selling door to door. In order to obtain a permit, vendors must come to City Hall to register and pay the fee. A permit is issued to each person going door to door. If someone comes to your residence, please ask to see their permit. If they can't show you one, you can ask them to leave and then call City Hall.

The City has two new part time police officers. They are Don Sheltroun and Jesse Rasmussen. Welcome them aboard!!

The Splash Pad and restroom facility at West Park will be completed in the Spring. We hope to have a grand opening in May.

Our Office hours are Monday-Friday 9 am to 5 pm. We will be closed Dec. 24th, 25th, 31st and Jan. 1st.

The Carson City Staff wish all our neighbors a safe and enjoyable Holiday Season.
