

Complete Distribution System Materials Inventory	
Water Supply Name:	City of Carson City
PWSID:	M10001170
Date Last Updated:	10/15/2024

Classification	*Auto-Calculated* Sum
Lead	33
Non-Lead	201
GRR/GPCL	85
Lead Status Unknown	213

Required	*Optional*	*Required if no address*	*Required*	*Required*	*Required*	*Required*	*Required*	*Required*	*Required*	*Required*	*Required*	*Required*	*Required*
Addresses	Customer Account ID	Unique Identifier	Gooseneck or Pigtail	System-Owned Portion *MHCs should list same materials for the riser in System-owned and Customer-owned columns.	Customer-Owned Portion *MHCs should list same materials for the riser in System-owned and Customer-owned columns.	Presence of Lead	Federal Classification	Status of Service Line	Access Denied	Notes			
Water systems must provide addresses or another unique identifier for all service lines in their inventory.	Other unique identifier (parcel ID, service line ID, general location)	Select option from drop down list. If "Other," describe in the Notes (Column P).	Select option from drop down list. Select "Not Applicable" if the material type does not change between water main to curb stop.	Select option from drop down list. If "Other," describe in the Notes (Column P).	Select option from drop down list. If "Other," describe in the Notes (Column P).	Select option from drop down list. If "Other," describe in the Notes (Column P).	Select option from drop down list. If "Other," describe in the Notes (Column P).	Select option from drop down list. If "Other," describe in the Notes (Column P).	Select option from drop down list.	The fields below auto-generate the classification of the entire service line as described by the EPA.	The fields below auto-generate the status of the service line.	Provide the date that access was denied for inspection. Documentation should be kept in water supply records.	This is an optional field that can provide additional detail about material classification.
Street Address	Account ID	Required if service line does not have a unique address	Basis of Material Classification	Service Line Material Classification	Basis of Material Classification2	Service Line Material Classification 3	Basis of Material Classification4	Service Line Material Classification	Was Material Ever Previously Connected to Lead (Columns G and I)?	*Auto-Calculated*	*Auto-Calculated*5	If Applicable, Access Denial Date	Notes for Material Classification
